The Bell Telephone Can Be Used by Children

A CHILD can get connection on the Bell telephone as easily as it can be done by a grown person. It serves the blind or the uneducated with equal facility.

When a child lifts the Bell telephone receiver from the hook, this simple act sets the mechanism in motion and signals the operator, who in turn does all the operating work that is necessary.

It is some satisfaction to know that your child can call for assistance on the Bell telephone in cases of emergency and secure the sympathetic and efficient assistance of trained operators.

The Bell telephone is as simple as it is marvelous. It has become so popular and familiar by reason of its invaluable service as to be called "The Guardian of the Home."

Have you a Bell Telephone in your home?

Management Announces Good Pictures and Music Will be Afforded—Closed for Repairs

C. H. Bleich, manager and treasurer of the Bleich Amusement company, lessees of "The Anderson" opera house, yesterday purchased for his company from James A. McCullough, of Greenville, "The Bijou" motion picture theatre, on South Main street. The amount paid for the theatre was not given out.

Mr. Bleich announced after the deal had been closed that the Bijou will be repaired and remodelled on an extensive scale, and that high class pictures and good music will be offered at this place. The Bijou has been giving its patrons this all the while, but Mr. Bleich will make an effort to give the public something a little bit better.

The Bijou will be closed while the repairs are under way. Just how long the amusement place will be out of commission while this work is under way is not known, but due announcement will be made of its re-opening.

The Bijou was owned by James A. McCullough, who with Mr. Josh Bristow, also of Greenville, formerly operated The Electric, a motion picture show on North Main street.

FAIR PLAY MEN ARE INDICTED

Charged With Murder in Connection With Rioting Last December

Special to The Intelligencer.

WALHALLA, March 1.—Judge Frank D. Gary opened court in Walhalla this morning. Solicitor Kurtz Smith handed out a number of indictments to the grand jury. This afternoon the grand jury returned a true bill against W. C. McClure, Woodrow Campbell, C. C. Kay, S. A. Jones, William Kay and John McDonald, charged with murder. This case is set for trial Tuesday morning. A large number of witnesses in this case was present today and a large crowd is looked for tomorrow as this case has attracted much interest in both Oconee and Anderson counties. It is generally believed that this trial will last for several days. The arguments will probably take one day. It can not of course be known yet how long it will take to obtain a jury. The venire may be exhausted and extra jurors have to be drawn. The defendants have four attorneys, two from Walhalla and two from Anderson bar.

CARLTON W. SAWYER IS NEW STATE COMPTROLLER

Carlton Wilkes Sawyer, comptroller general, is a native of Orangeburg County, having been born at "Sawyerdale" in that county. He is the youngest of eight children, all of whom are living. His mother was Elizabeth Bamberg, sister to former State Treasurer Isaac Bamberg, and the late Gen. Francis Marton Bamberg of Bamberg, who died shortly after his birth. His father, Wilkes Sawyer, then moved the family to the town of Orangeburg in 1880 in order to educate his children. Wilkes Sawyer, his father, served the State throughout the Civil war from 1861-65, as a member of Company A, (Hagood's regiment), 1st S. C. Volunteers, and after the war successfully engaged in farming until his death in 1888.

Carlton Sawyer was sent by his guardian to Columbia in 1890 to attend the Columbia graded schools, remaining for four years, and afterwards he attended the South Carolina Military academy at Charleston from 1895-98. After leaving the Citadel in 1898, he kept books for a few months in the Bamberg cotton mills, later returning to Columbia to work for a wholesale grocery company, the Norris-Cooner company, in which company he was afterwards made secretary.

In 1906, a year after the legislature passed the corporation license act, it was necessary for the comptroller general to have more help in order to carry out the law, and Mr. Sawyer was appointed by Comptroller General Jones to the position of license clerk. He was afterwards made auditing clerk, and in 1910 was appointed by the comptroller general to the position of chief clerk, which place he held up to the time of his appointment by Governor Manning. Having made a study of the tax problem for nine years under the comptroller general, Mr. Sawyer is considered one of the best expert accountants in the State for checking up the accounts of the county auditors and treasurers.

Comptroller General Sawyer takes great interest in secret order work, being an Elk, a past chancellor in the Knights of Pythias, and a Shriner.

HIGHWAY COMMISSION IN SESSION MONDAY

NUMBER OF PRELIMINARY MATTERS CONSIDERED BY THE BOARD

NO ORGANIZATION

Commission Decided to Wait Until After the Election to Perfect Organization

Following a meeting yesterday of the county commission the following statement was given out:

"We expect to educate ourselves as to the various plans of building and improving county roads, and we see that the people of Anderson county get the best roads for the money spent. We will also see that the improvements are distributed in every section of the county so that all of our people will be benefited. We want to eliminate the worst places in our roads first; then eliminate those places which are not the worst, and so on until we obtain good roads."

All members of the commission were present, with the exception of Supervisor J. Mack King, who was attending a meeting of the county board of commissioners, and Mr. Frank McGee of Iva.

A committee was appointed to confer with the election commissioners with reference to the election. Another committee was appointed to prepare data as to who is paying the bulk of the taxes in the county; what the proposed bond issue of \$750,000 will cost the taxpayers in the way of increased taxes, etc. In other words, the commission wants to answer a number of questions that are being asked about the proposed bond issue by the taxpayers.

The commission did not organize, as was at first thought that they would. They decided that they would wait until after the election on the bond issue question to organize, taking the position that they are not in office and have no right to organize until after an election is held.

NEW COUNTY BOARD IN FIRST SESSION

MET YESTERDAY FOR THE PURPOSE OF PERFECTING ORGANIZATION

MEET AGAIN TODAY

First Formal Meeting of the Commission Will Be Held This Morning

The first meeting of the county board of commissioners was held yesterday at noon in the office of County Supervisor J. Mack King. All four members of the board—J. Lawrence McGee, J. D. Culbertson, R. D. Smith and W. A. Spearman—were present. This meeting was for the purpose of organizing and arranging certain matters preliminary to the regular meeting, which will be held at 11 o'clock this morning.

At the conclusion of the meeting Supervisor King announced the election of the following employees:

J. S. Acker, clerk of board.

J. Y. Busby, manager of county home.

J. C. McConnell, sergeant chain gang camp, No. 1.

J. W. Cook, sergeant chain gang camp, No. 2.

G. L. Stevenson, Anderson Griffith, A. N. Cullins and DeWitt Massey, guards of chain gang No. 1.

J. W. Ramsey, Lila Strickland and Duck Busby, guards of chain gang, No. 2.

The guards are elected by the month subject to removal for cause.

H. H. Acker, county physician.

All of these elections are re-elections. The board deferred the election of a county attorney, a position now held by Solicitor Kurtz F. Smith.

Section 1307 of the 1912 code provides that the clerk of court shall appoint employees in the court house. The commissioners, therefore, referred to Clerk of Court Pearman the election of a janitor.

The board voted to impose a one mill levy for public roads during the year 1915.

WHEAT MARKET WEAK

Rapid Progress of Anglo-French Fleet Up Dardanelles Smashes Prices.

CHICAGO, March 1.—Rapid progress of the Anglo-French fleet up the Dardanelles smashed wheat prices today as much as 5-12 cents a bushel right at the start. May delivery, which closed Saturday at \$1.53-1-2, opened this morning with sales down to \$1.45. Simultaneously July dropped 3-4 cents to \$1.21.

Even worse weakness developed late in the day on advice that one of the chief strongholds on the Dardanelles had been rendered useless. The close was excited at 5-8 to 5-9 under Saturday night.

GIRLS! HAVE BEAUTIFUL, LUSTROUS, FLUFFY HAIR--25 CENT DANDERINE

No more dandruff or falling hair—A real surprise awaits you.

To be possessed of a head of heavy, beautiful hair; soft, lustrous, fluffy, wavy and free from dandruff is merely a matter of using a little Danderine.

It is easy and inexpensive to have nice, soft hair and lots of it. Just get a 25 cent bottle of Knolton's Danderine now—all drug stores recommend it—apply a little as directed and within ten minutes there will be an appearance of abundance; freshness, fluffiness and an incomparable gloss and lustre and try as you will this.

You cannot find a trace of dandruff or falling hair; but your real surprise will be after about two weeks' use, when you will see new hair—fine, and downy at first—ye—but really new hair—sprouting out all over your scalp—Danderine is, we believe, the only sure hair grower; destroyer of dandruff and cure for itchy scalp and it never fails to stop falling hair at once.

If you want to prove how pretty and soft your hair really is, moisten a cloth with a little Danderine and carefully draw it through your hair—taking one small strand at a time. Your hair will be soft, glossy and beautiful in just a few moments—a delightful surprise awaits everyone who tries this.

WILL MAKE PROTEST AGAINST ACTIONS OF ALLIED NATIONS

(CONTINUED FROM PAGE ONE.)

and in the case of Great Britain, which was aggravated by the question of imprisonment eventually to war.

That these questions were never definitely settled is indicated in the correspondence between the United States and its commissioners who finally arranged the treaty of Ghent in 1814.

Subsequently international conference and conventions attempted to define the operation of a blockade, but in one of them there is any rule, ratified by all the present belligerents, that would cover the action of Great

Britain and France today.

The entire subject probably will be laid before the cabinet tomorrow by President Wilson.

One of the chief concerns of the administration in regard to England's latest note was understood tonight to be in connection with cotton shipments. Cotton has formed the great bulk of trade between the United States and Germany recently.
